

4<sup>th</sup> ALL AFRICA CONGRESS ON ENVIRONMENTAL HEALTH EMPERORS PALACE, JOHANNESBURG, SOUTH AFRICA 11-13 NOVEMBER 2024

ENVIRONMENTAL HEALTH IN AFRICA:

READINESS FOR THE 4th INDUSTRIAL

REVOLUTION

### SECOND ANNOUNCEMENT AND CALL FOR ABSTRACTS

Department: Health REPUBLIC OF SOUTH AFRICA

# <u>MESSAGE FROM THE ORGANISING AND</u> <u>STEERING COMMITTEE</u>

The enormous task given to the South African Institute of Environmental Health (SAIEH), to organise the 4<sup>th</sup> All Africa Congress on Environmental Health is once again a great opportunity to showcase Africa.

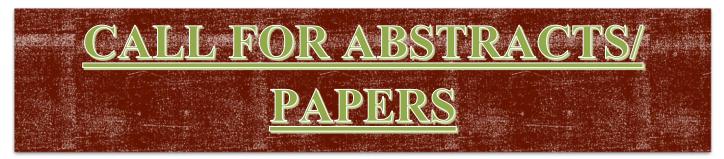

We feel privileged to have been appointed to organise this event, to ensure that the 4<sup>th</sup> All Africa Congress meets the expectations of the global community. The Organising Committee has gone to great lengths to ensure that your visit to Johannesburg will be an experience never to be forgotten.

This Congress will strive to address Environmental Health concerns affecting Africa as a continent. It is in this context that International best practices and expertise shared at this gathering will be beneficial to both underdeveloped and developing countries alike.

The Africa Group of the IFEH is creating an ideal platform for delegations from all over the world to interact, share experiences and assist fellow colleagues on many of the topical global environmental health issues.

Johannesburg is South Africa's economical capital and is a tourism destination. This Congress will be held during the best time of the year in terms of weather conditions. The venue for the Congress is a world class facility and has won many awards as a Conference venue.

We hope that delegates will take full advantage of everything the Congress has to offer and make sure that the rich experience gained in Johannesburg in November 2024 will be shared with the rest of Africa. We urge delegates to join us in Johannesburg and we look forward to welcoming you to our beautiful country.

The Organising Committee invites prospective speakers and presenters to submit abstracts for this Congress in terms of the identified themes.

Since the theme of the Congress is to focus on Africa and its Environmental Health status, we would be grateful if presenters/speakers can also be drawn from the African continent. Our main objective is to ensure that we have presenters/ speakers from a wide spectrum so as to take on other considerations and include all the role-players involved in Environmental Health. The value and involvement of other disciplines and organizations will give this Congress a multi- disciplinary flavour.

Abstracts for proposed papers must confirm to the following specifications:

- Abstracts must be a page between 250- 300 words and report the result of original research pertinent to the subject matter.
- Must include title, authors names, email address, work telephone, fax and mobile number.
- Indicate the theme to which your paper should be linked.
- A short C/V for each of the authors must accompany the abstract.
- All abstracts must be emailed to David Nemakonde at <u>saiehnational@gmail.com or nemakondend@gmail.com</u>

Authors are to please note as follows:

- Abstracts and papers will be reviewed by the scientific programme committee.
- All accepted platform presenters are expected to present a paper.
- These papers will be published in the proceedings after they have been reviewed and accepted.
- Detailed instructions will be distributed to authors on acceptance of their abstracts and will be available on the website. <u>www.saieh.co.za</u>
- Authors will be advised of the acceptance of their papers.
- The main authors or co-authors will personally attend and pay the registration fee according to the registration deadlines of the Congress.

Abstracts must be submitted online, using the following email address and with the title:
