New Zealand Institute of Environmental Health

### Shooting in Christchurch, New Zealand

On behalf of the Board of Directors and the members of the International Federation of Environmental Health, we want to express our shock and sadness to hear of this very unfortunate deed carrying out by a gunman, who shot 50 people in two mosques in Christchurch, New Zealand. This shooting by a right-wing extremist must be condemned by all of us in the IFEH community.

We want to express our deepest sympathies to the families of all the deceased and pray that God gives them the courage and strength to deal with this very tragic incident. We pray that the Almighty God showers his richest blessings upon all the families that have lost loved ones, and he gives them the courage and fortitude to deal with their loss.

We pray also that none of our IFEH members family members were not victims to this horrific tragedy.

Our thoughts and prayers are with the people of New Zealand on this very sad incident that has taken place i Christchurch. We also pray that the people of New Zealand can overcome this incident and move on with their lives.

**GOD BE WITH THE COMMUNITY OF CHRISTCHURCH, NEW ZEALAND.**

**Dr. Selva Mudaly**

President – International Federation of Environmental Health
