

## **Scoping Strategy Points**

### **Selva will lead the preparation of a new Draft Strategic Plan**

#### **IFEH Structure**

- Regional Groups as listed on the website
- President, President Elect, Hon Secretary, Hon Treasurer & Regional Chairs are Board Members
- Board meets 4 times per year by teleconference
- Hon Secretary and Hon Treasurer work between 30 - 60 hours per month collectively

#### **Selva Mudaly**

- IFEH to raise the profile of Environmental Health
- Members Associations are legally formed and functioning
- Utilise our Academic Members expertise to map out practitioners across the Globe
- Regions must play their part in IFEH functions
- Regional Chairs to be more active at Board Meetings
- Ensure financial stability
- Communication with members is more than the Hon Secretary, Webmaster, Pro and Journal Editor
- SIGs have a significant role to play in getting feedback from professional across the globe
- Document the History of the IFEH
- Member Associations must improve participation

#### **Adam London**

- IFEH should work towards full time staff supporting Federation
- Be aspirational and promote quality & value

#### **Dawn**

- Identify core Aims & Objectives
- Identify the cost of delivering core Aims & Objectives
- Identify funding streams
- Promote networking and best practice between Member Associations

#### **Martin Fitzpatrick**

- Supported identifying core Aims & Objectives
- Identify a vision for the IFEH

#### **Stephen Bell**

- Supports the position of a part-time staff member
- IFEH should be run more like a business
- Build on 2006 strategy

## **Vince Stephens**

- Should sell the IFEH Brand
- Identify key topics annually to promote the Brand out with WEHD
- Encourage Member Associations to twin with each other

## **Rosemary Lee**

- Make more use of individual members' talents
- Improve communication within IFEH and outwardly

## **Anne Godfrey**

- What are we and how can we do it well
- Measure delivery of purpose
- Broaden financial commitment across the IFEH
- Conflict between corporate & individual membership

## **Susana Paixao**

- Member Associations to link together
- Single topic focus for WEHD which all Members can execute at the same time to maximise impact
- Consider merchandising of IFEH products
- Members to share experiences on a topic base

## **Henning Hansen**

- Endorses Selva's vision for IFEH
- Set out annual projects
- Maximise Members' skills
- Maximise partnerships with academic members

## **Brontle Mbongue**

- Build stronger partnerships in areas such as tobacco control
- Link with WHO
- Academic Institutions to showcase their IFEH Membership

## **Tee E Ong**

- Promote Environment Health Locally & Globally
- Make an impact

## **Selva - Conclusion**

- Target strategic issues over the next few years
- Will produce a draft plan
- Will seek Member comment
- Looking for Member Association support in taking the strategy forward
- Members to take ownership of Strategic Plan
