Dear colleagues, dear friends,

On behalf of the Organising committee, I am honored to invite you to join us in the World Water Day celebration at the **8th International Conference WATER FOR ALL 2019** that will be held in **Osijek, Croatia on March 21st and 22nd 2019**.

The International Conference WATER FOR ALL is being held on World Water Day with the aim of gathering and exchanging experiences of scientists and experts in the field of water management, environmental protection and preservation of water resources. The conference has been held since 2011.

The theme of World Water Day 2019 and 8th International Conference WATER FOR ALL is "Water for all - Leaving no one behind".

The Conference is organized by Josip Juraj Strossmayer University of Osijek, Faculty of Food Technology Osijek and network of institutions.

Our international partners are International Federation of Environmental Health, European Hygienic Engineering & Design Group (EHEDG) and Danube Parks.

The Conference will include lecturers and their oral/poster presentations, and it will have sponsored presentations of companies involved in water protection and water processing.

With great pleasure, we invite you to actively participate in the Conference and present your latest research, specialties and knowledge!
